Emergency Lock Down (ELD)

Emergency lock down of a classroom during an **active shooter** situation is an essential need due to recent school shootings. Positive Lock, Inc. introduces the TH(ELD) Security Door Lock to help with your emergency security needs. The TH(ELD) Security Door Lock is surface mounted, locks both sides of the door, meets all National Fire Protection Association (NFPA) 2018 requirements (listed below), and is extremely easy to operate. We are confident any child would be able to lock or unlock this secondary door lock if an emergency arose.

NFPA 2018 Requirements

15.2.2.2.4 Existing Classroom Door Locking to Prevent Unwanted Entry

Classroom doors shall be permitted to be locked to prevent unwanted entry provided that the locking means is approved and all of the following conditions are met:

- (1) The locking means shall be capable of being engaged without opening the door.
- (2) The unlocking and unlatching from the classroom side of the door can be accomplished without the use of a key, tool, or special knowledge or effort.
- (3) The releasing mechanism for unlocking and unlatching shall be located at a height not less than 34 in. (865 mm) and not exceeding 48 in. (1220 mm) above the finished floor.
- (4) Locks, if remotely engaged, shall be unlockable from the classroom side of the door without the use of a key, tool, or special knowledge or effort.
- (5) The door shall be capable of being unlocked and opened from outside the room with the necessary key or other credential.
- (6) The locking means shall not modify the door closer, panic hardware, or fire exit hardware.
- (7) Modifications to fire door assemblies, including door hardware, shall be in accordance with NFPA 80.
- (8) The emergency action plan, required by 15.7.1, shall address the use of the locking and unlocking means from within and outside the room.
- (9) Staff shall be drilled in the engagement and release of the locking means, from within and outside the room, as part of the emergency egress drills required by 15.7.2

The TH(ELD) secures a 3ft wide door for \$125 - *a very low cost for peace of mind.*
